

# What will Hungerford be like in 18 years from now?

**H**ungerford will change – but what needs to change and what would you like to retain? With this Adviser you should find the first public consultation to help to put us on the right track. It will take the *Hungerford 2036* Project Team about three years to develop

the Neighbourhood Plan and go through all the stages.

The whole point of a Neighbourhood Plan is that it is community-led and that means researched, written and voted on by the people who live in the neighbourhood – that's you and your neighbours!

It will, at the end of the process, have significant influence on the way Hungerford changes once the plan has been sanctioned by a town referendum.

Do it now – fill in your paper questionnaire and make sure you drop it off at one of the collection point boxes which are at the Library, Tesco, the Surgery, The Tally-Ho Inn, the Leisure Centre, John O'Gaunt School or the Football Club.

Or you may find it easier to complete the same survey online at [www.Hungerford2036.info](http://www.Hungerford2036.info). We value the time you spend completing the questionnaire and your participation in this important process.

The *Hungerford 2036* Neighbourhood Plan Project Team.

HUNGERFORD
