

## **What will Hungerford be like in 18 years from now?**

Hungerford will change - but what needs to change and what would you like to retain? From 22<sup>nd</sup> June we are starting the first public consultation to help to put us on the right track. You can find the survey at [www.Hungerford2036.info](http://www.Hungerford2036.info) .

It will take the *Hungerford 2036* Project Team about three years to develop the Neighbourhood Plan and go through all the stages. The whole point of a Neighbourhood Plan is that it is community-led and that means researched, written and voted on by the people who live in the neighbourhood – that's you and your neighbours!

At the end of the process, once the plan has been approved by a town referendum, it will have significant influence on the way Hungerford changes.

Please complete the survey now – it should only take you 10-15 minutes – you may find it easier to complete it online. If you know someone who would prefer to fill in a paper questionnaire there is one in the latest Adviser issue which can then be dropped in to one of the collection point boxes which are at the Library, Tesco, the Surgery, The Tally-Ho Inn, the Leisure Centre, John O'Gaunt School and the Football Club.

We appreciate the time you spend completing the questionnaire and your participation in this important process.

The *Hungerford 2036* Neighbourhood Plan Project Team.
